Ramil & Ana Marie Necessito

Saskatoon, Saskatchewan, Canada

Pray the Lord of the Harvest will send more laborers to His vineyard, especially in Saskatoon.

Ramil and Ana Marie Necessito planted the Filipino-Canadian Baptist Church Saskatoon. Ramil preaches weekly, teaches Sunday School, leads Bible studies, disciples men, and oversees ministries for kids, youth, men, and women—all while working as a Continuing Care Assistant to support his family.

His passion is simple and bold: to see people saved. “I always share the love and story of salvation whenever I can,” Ramil says. “I really love to tell people about Jesus and how to be saved by grace through faith.”

When launching their evangelism ministry, Ramil began by training members of the church. He also prayed faithfully that God would raise up the right leader. In time, one of their young adults stepped up and now organizes the church’s soul-winning outreach.

Through the Cooperative Program, we help support churches like Filipino-Canadian Baptist Church Saskatoon as they reach their communities for Christ.
